Central Intelligence Agency  
Office of the Deputy Director for Intelligence

[Redacted]  
23 March 1984

NOTE TO: Cpt. Fred Demech, USN  
Deputy Executive Director  
President's Foreign Intelligence  
Advisory Board

Fred --

During the recent discussion with one of the PFIAB panels, [Redacted] mentioned that CIA sends typescript memorandum on Soviet-American relations to policymakers. The panel indicated interest. The first of the attachments was done prior to that discussion; the second some time later.

I hope you find them useful as examples of Agency analysis that does not appear in hard cover form but is provided the policy-maker frequently. [Redacted]
